

Hello Parents/ Careers

I would like to introduce myself. I'm Amy the manger from Scallywags Kids Cub, we provide before and after school childcare for the children at Emscote Infants and are currently looking at working with Emscote preschool and offering before and after nursery childcare. We are open school term time so not bank holidays or school teacher training days.

Your child will need to be 4 years of age to come to Scallywags, inline with OFSTED guidelines/ staffing ratios.

We offer free play throughout the club daily and also have activity clubs on different days of the week, this changes termly.

All details about our club can be found on our website including our planning and menus. Our planning is linked with the **EYFS** like the preschool so they are still learning with us. We can take up to 50 children, so the club does get loud and busy.

Please can the QR code below for current details.

In the mornings two members of staff will drop your child to preschool after having breakfast with us.

In the afternoon a member of staff from the Preschool will bring the children over to us, where they will have a light snack and then free play until you arrive.

If you are interested in visiting us or your child starting with us in the New Year, please email me on info@scallywagskids.co.uk

Kind regards
Amy
Club manager
